A screenshot of a Windows command prompt window. The title bar at the top reads "C:\WINDOWS\system32\cmd.exe" and includes standard minimize, maximize, and close buttons. The command prompt has a black background with white text. The output of a program is displayed as follows:

```
The unsorted values are:  
7 2 3 8 9 1  
The sorted values are:  
1 2 3 7 8 9  
Press any key to continue . . .
```

The text is left-aligned. The first line is "The unsorted values are:", followed by the numbers "7 2 3 8 9 1" on the next line. The third line is "The sorted values are:", followed by the numbers "1 2 3 7 8 9" on the next line. The final line is "Press any key to continue . . .". A vertical scrollbar is visible on the right side of the command prompt window.
