CSE-4344-001

10/4/19

Networks Project 1 Writeup

How to compile: make

How to run: java jdo3643_project1

Limitations: No 301 error detection, hit cntrl+c for 404 page to appear, no wireshark screenshots (couldn't get it to work on Linux and couldn't get index.html to work on localhost on windows)
